### CURRENT SITUATION

*(Recent updates are posted at the top of Current Situation)*

Fire units responded to a vegetation fire at the 6800 block of Jurupa. Upon arrival, we found a large spot of vegetation on fire in light flashy fuels and ivy. There were no immediate structures threatened. There was one vehicle in a parking lot that was threatened by fire. However, the vehicle did not obtain any damage. The weather was approximately 114 degrees with 10% humidity and light winds from the West. The fire was brought under control after a wet line was in place around the fire. A scratch line was in place a defensive measure. The fire was investigated and found to be an accidental start due to electrical sparks that came from a power line breaker that blew open. All units cleared the scene. There were no injuries during this incident.
